VALUE EDUCATION: NEED OF THE HOUR (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Value-Based-Education is highly needed in our modern society because our lives have become more miserable. The quantity of education has considerably increased, but the quality has decreased. Why? The number of educated people has reached at a high level, but murder, hatred, and selfishness have spread out like wildfire everywhere. Why? Many institutions are opened, but only few civilized people are produced. Why? Degrees are available for all, but the dignity has gone down. Why? Trained people are produced from many institutions, but sincere people are very few. Why? Many books are written; much research is done; many professional achievements are attained, but humanity is threatened. Why? Therefore, we need Value-Based-Education. Life is a matter of choices. In human life there are certain things looked upon as admirable, honorable, to be approved of and there are other things which entertain and please us but we may view them as not admirable, not honorable and not to be approved of. Indian heritage, culture values need to be thoroughly studied, analyzed incorporated comprehensively in the education system. In achieving the above goal we librarians can definitely help the educators. We can re-establish the self-confidence of the youth, show them the way of regaining their faith in themselves. Swami Chinmayananda in his We Must booklet states All our success entirely depends upon ourselves. Let us never look outside ourselves for help. Let us not fall into the delusion that the influence of others would enable us to do better or accomplish more. He firmly says: Spiritual education and religious practices make us realize that we are a part of a whole scheme, and the essential creativeness behind the whole universe is the essential Essence ruling...
